

A RECENT SUCCESS

A recent success for Amco Gymnastics. Pascal and Nicole Ulrich worked very hard to put the tender together for the Gold Coast 2018 Commonwealth games to fit out with world class gymnastics equipment Spieth. Gold Coast 2018 Commonwealth Games will be the largest sporting event Australia will see this decade.

Amco Gymnastics also delivers the podium for The Gold Coast Commonwealth Games wrestling test event. Thank you to Thierry Deleuze from JF-International for making the trip from Europe to work with Shaw Byng of Amco Gymnastics and managing the 15 staff for the build.
